

BOSTON TEA PARTY

Here comes the bamboo plate --  
Squiggly wiggly  
Tasty wasty  
So pointy --  
Without a reference point.  
We couldn't have a better world than this.  
If we blink, we miss it.  
If we keep our eyes open we cry.  
Lifting silver trays,  
Making silly rhymes,  
Nancy is being humorous again.  
Eat up!  
We have no time to waste.
