

FRIENDLY SKIES

Unshakable trust  
Rock-like vision of our forefathers  
Rich thick blood flowing in our veins  
Unobstructed pathways leading to enlightenment:  
This is the legacy of our lineage;  
This is the foundation of our confidence.  
A mouse peeps through a small hole  
A horse is eager to run  
An elephant walks unobstructedly  
Ambassadors struggle to understand  
We are not the inheritors of poverty --  
We are the continuing thunder of the Lion's Roar.  
Hold fast but don't hold anything  
Cling to the teachings without clinging  
Waltz in a crowded room  
Celebrate the birthday of awakened mind.  
Lift  
Stir  
Brew  
Drink  
Trample the grapes of confusion  
In the vineyard of great enlightenment.  
Glory be to our one and only true father!  
Homage to the unbroken chain of Vajra Masters!  
In praise of the glorious dharma  
I extend my heart to you  
Without any possible doubt.  
Forge the image of the Buddha  
In the foundry of dharmadhatu.
