

Co-Fraternal Doha

in book?

Eight lines of solid rock

So sad pathetic

So tender

What are you going to do?

Thick dull brilliant

I love you

You disgust me

Come on.

S. E. Baker

Long ago a dream occurred

Nursing on my mother's tit

I am so helpless

When will I ever exhaust myself?

Professional humdrum paraplegic mental world

Devotion is so ripe it smells

Feast your eyes on the most beautiful woman

Orgasm is not a memory.
